

JOBHACKI AFFILIATE PLAYBOOK

Make money promoting JobHacki.

The simple version. Promote a \$7 product, get paid by Whop. Here's exactly what to do.

THE DEAL

JobHacki is a one-time \$7 membership. You share your link → Whop tracks the sale → Whop pays you. Cheap, broad, easy to sell.

01 Two ways to get paid

PER SALE

Commission on every \$7 sale through your link.
Auto-tracked + paid by Whop.

PER VIEW

Get paid for views via our Content Rewards campaign — even before a sale.

02 What to promote

 **The full \$7 bundle — the easiest sale, everything included.**

Or promote a single tool, whichever fits your audience best:

04 3 hooks that work

CONTRARIAN

PLEASURE
